APSS APPOS 2019

12th Combined Meeting of Asia Pacific Spine Society
& Asia Pacific Paediatric Orthopaedic Society

Combined with the 35th Annual Meeting of
Korean Paediatric Orthopaedic Society

April 4-6, 2019

Songdo Convensia, Incheon, Korea

Invitation

On behalf of the Asia Pacific Spine Society (APSS) and Asia Pacific Paediatric Orthopaedic Society (APPOS), it is our great pleasure to invite you to the 12th Combined Meeting of APSS and APPOS from April 4 to 6, 2019 at Songdo Convensia, Incheon, Korea.

The meeting will include informative presentations by dedicated faculty and participants from all over the world. There will be separate APSS and APPOS programs as well as joint plenary symposiums. World-renowned speakers will make this meeting a fruitful and outstanding academic event. We have no doubt the meeting can promote expertise and communicate knowledge across fields. In addition, it will foster new relationships across the Asia-Pacific region and establish networks among fellow surgeons.

The host city Songdo is a newly built city located within the metropolitan Seoul area where you can experience not only advanced technology but also traditional Korean culture. Songdo Convensia is also a modern convenient venue and easily accessible from the airport.

We are passionately working to ensure this meeting be successful and unforgettable to the participants. We are looking forward to seeing you in the APSS-APPOS 2019 meeting and hope you enjoy the hospitality of the Korean people.
