

SOA 43rd Annual Scientific Meeting
15 & 16 December 2021, Shangri-la Hotel

Wednesday 15 December 2021

Time	Katong Ballroom	Azalea Room (mezzanine floor)
	ZOOM LINK FOR ATTENDEES: https://tqi-sg.zoom.us/j/83317991060	ZOOM LINK FOR ATTENDEES: https://tqi-sg.zoom.us/j/86953378276
0800	Registration	Registration
0845 - 0855	<u>Master-of-Ceremony – Puah Ken Lee</u> Opening and Welcome Address – Denny Lie, President of SOA	<i>Zoom from Katong Ballroom</i>
0855 - 0915	<u>Citation by Wong Hee Kit, Singapore</u> Special Lecture: Myogelosis: Skin Areas of Muscles - Shoichi Kokubun Professor Emeritus, Tohoku University, Sendai, Japan President of Asia Pacific Orthopaedic Association	
0915 - 0945	Morning Break	Morning Break
0945 - 1210	<p style="text-align: center;">SOA-Singapore Shoulder and Elbow Society (SSES) <u>Moderators: Denny Lie, Ruben Manohara</u></p> <p>0945-1000 Current Concepts in Shoulder Stabilisation - Sanjay Desai, India</p> <p>1000-1015 My Rescue Surgical Methods for Large to Massive RCT - Kim Yang Soo, Korea</p> <p>1015-1030 Bristow can be Better - Introduction of Cuistow and Early Results for Sportsmen – Guoqing Cui, China</p> <p style="text-align: center;"><u>Session II - Moderators: James Tan, Puah Ken Lee</u></p> <p>1030-1040 Dual-row Labral Repair for Soft-tissue and Bony Bankart Repairs – Denny Lie, Singapore</p> <p>1040-1050 Posterior Stabilisation of the Shoulder – James Tan, Singapore</p> <p>1050-1100 Biceps Tenodesis: Why, Where and How I Do It? – Lim Yeow Wai, Singapore</p> <p>1100-1110 Arthroscopic-assisted Latissimus Dorsi Transfer for Massive Irreparable Cuff Tears – Desmond Ong, Singapore</p> <p>1110-1120 Patient Specific Glenoid Vault Reconstruction Reverse Shoulder Arthroplasty – Ruben Manohara, Singapore</p> <p>1120-1130 It's: V Stabilisation Technique for Acute ACJ Injuries – Benjamin Seah, Singapore</p> <p>1130-1140 Arthroscopic Management of the Stiff Elbow– Andy Wee, Singapore</p> <p>1140-1150 Distal Biceps Reconstruction with Allograft – Puah Ken Lee, Singapore</p>	<p style="text-align: center;">Basic Science / Research Programme</p> <p>0945-1000 Introduction to Asian Pacific Orthopaedic Research Society (APORS) – Joyce Koh, Singapore</p> <hr/> <p style="text-align: center;">P Balasubramaniam Young Orthopaedic Investigator's Award <u>Moderator: Francis Wong</u> <u>Judges: Suresh Sivananthan, Low Yin Peng, Peter Lee, Wong Merng Koon</u></p> <p>1000-1015 When is it Safe to Return to Driving After Distal Radius Fracture Fixation? A Prospective Study – Kaamini D/O Ravindran Pillay, TTSH</p> <p>1015-1030 Investigating Bone Stresses Shielding Effect in Response to Varying Implant Lengths in Proximal Humeral Replacement Following Tumour Excision – Suraya Zainul-Abidin, SGH</p> <p>1030-1045 Preoperative Antibiotics, Early Surgery and Rehabilitation are Independent Predictors of Length of Stay in Hip Fracture Patients After Surgery – Sim Hao Sheng Craigen, SGH</p> <p>1045-1100 Mesenchymal Stem Cell Exosomes Promote Growth Plate Repair and Reduce Limb Length Discrepancy in Young Rats - A Pilot Study – Tan Si Heng Sharon, NUHS</p> <hr/> <p style="text-align: center;">Basic Science / Research Programme <u>Moderator: Francis Wong</u></p> <p>1100-1130 The Orthopaedic Surgeon Scientist: An Endangered Species – Francis Wong, Singapore</p> <p>1130-1150 The Orthopaedic Surgeon Innovator: 3D Printing Innovations in Clinical Practice: My Experience – Michael Yam, Singapore</p>

	1150-1210 <u>SSES Business Meeting in preparation for ACASEA 2021 – A NEW BEGINNING</u>	1150-1215 The Orthopaedic Surgeon Health Services Researcher: Health Services Research in Orthopaedic Surgery – Bryan Tan, Singapore
1210 - 1310	Lunch (for AM session)	Lunch (for AM session)
1330	Registration	Registration
1400 - 1530	<p>Sports Medicine and Arthroscopy Programme <u>Moderators: Chanakarn Phornphutkul, Dave Lee, Lingaraj Krishna</u></p> <p>1400-1415 ACL Update 2021 - Sachin Tapasvi, India</p> <p>1415-1430 All Inside ACL Reconstruction – Teo Seow Hui, Malaysia</p> <p>1430-1445 Multiligament Injuries of the Knee – Bancha Chernchujit, Thailand</p> <p>1445-1500 Preserving the Meniscus – How Far Would You Go? – Timothy Teo, Singapore</p> <p>1500-1515 How I Treat a Degenerate Meniscus Tear – Hideyuki Koga, Japan</p> <p>1515-1530 Meniscus Transplant – My Experience – Lee Kong Hwee, Singapore</p>	<p>SOA-Orthopaedic Foot and Ankle Society of Singapore (OFASS) MINIMALLY INVASIVE FOOT AND ANKLE SURGERY <u>Moderators: Chong Keen Wai, Victor Seah</u></p> <p>1400-1425 Percutaneous Chevron-Akin Osteotomy with Screw Fixation for Hallux Valgus – Nicholas Yeo, Singapore</p> <p>1425-1500 Minimally Invasive Bosch-Akin Osteotomy with Intramedullary Plate Fixation for Hallux Valgus – Ooi Lai Hock, Singapore</p> <p>1500-1525 Minimally Invasive Subtalar Arthroscopic Assisted Percutaneous Fixation of Calcaneal Fractures – Christopher Pearce, Singapore</p>
1530 - 1600	Afternoon Break	Afternoon Break
1600 - 1715	<p>1600-1615 HTO for Ligament Instability – Lee Sang Hak, Korea</p> <p>1615-1630 Osteotomy for Knee OA – Hamid Razak, Singapore</p> <p>1630-1645 MPFL Reconstruction for Patella Instability – Jose Antonio San Jun, Philippines</p> <p>1645-1700 Stabilising the Patella Beyond Soft Tissue Reconstruction – Mohammad Ashik, Singapore</p> <p>1700-1715 Hip Labral Injuries – Foo Gen Lin, Singapore</p>	<p>1600-1625 Essentials of Posterior Ankle Arthroscopy in the Management of Ankle Pain – Jeffrey Tan, Singapore</p> <p>1625-1650 All Inside Arthroscopic Repair of the Anterior Talo-fibular Ligament of the Ankle – Anandakumar Vellasamy, Singapore</p> <p>1650-1715 Arthroscopic Management of Large Talus OCL with Impaction Bone Grafting and Collagen Scaffold – Chong Keen Wai, Singapore</p>
1830	Registration for SOA AGM	
1845 - 1945	SOA 54th Annual General Meeting	
1945 - 2100	Dinner
