

New road network for smoother drive

Driving to SGH and national specialty centres on SGH Campus will be through **three separate, non-connecting routes**. This is to improve traffic flow and ease congestion in preparation for future campus development.

An overview of the routes (**Orange, Blue & Purple**) and the carparks :

CHANGES TO ROAD NETWORK ON SGH CAMPUS

From 29 December 2019, drive directly to your destinations on SGH Campus through **three separate, non-connecting routes**, instead of looping through the Campus!

Here are the recommended routes for the various drop off/pick up points:

SGH and NCCS

- Use Jalan Bukit Merah and enter via College Road

Academia, SNEC and DMC

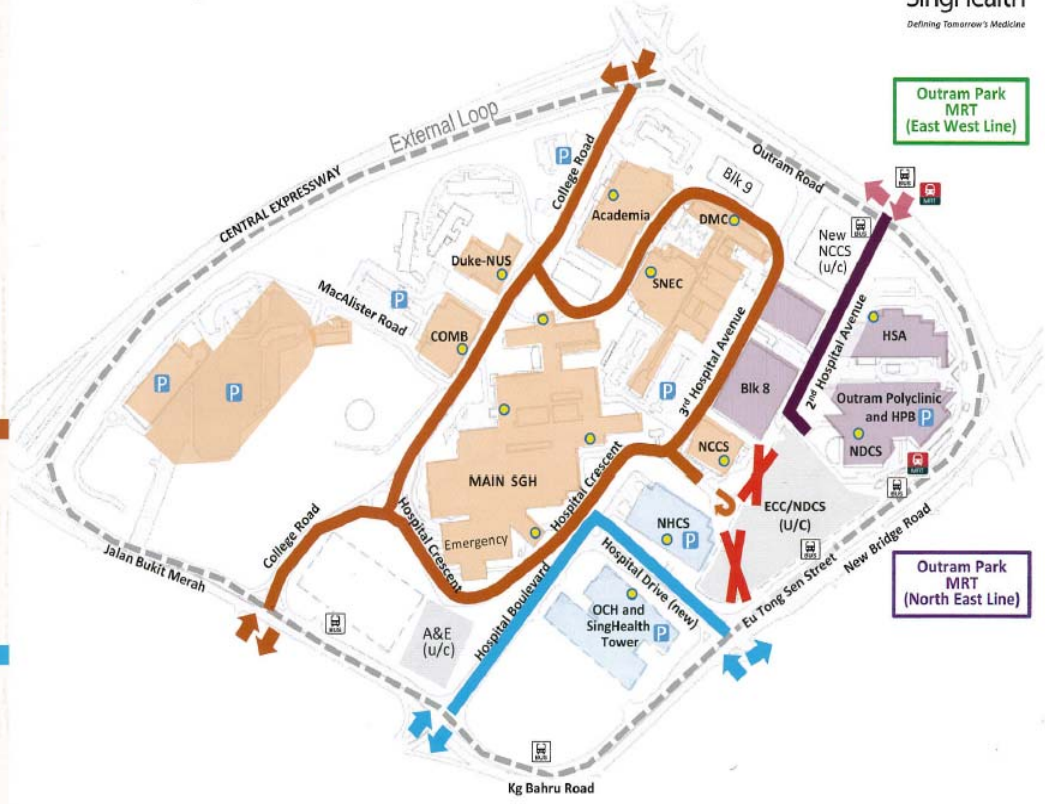

- Use Outram Road and enter via College Road

OCH/SingHealth Tower and NHCS

- Use Kampong Bahru Road and enter via Hospital Boulevard **OR**
- Use New Bridge Road and enter via Hospital Drive (new)

Outram Polyclinic, NDCS and SGH Blk 8

- Use Outram Road and enter via Second Hospital Avenue
